One of the region's most widely-planted grapes, Napa Valley's Chardonnays are rightfully sought-after. This variety thrives in the warm climate, producing round, rich flavors with pronounced tropical fruit notes.

The *Owl Ridge 2017 Napa Valley Chardonnay* represents its appellation with gusto: Lively aromas of fruit cocktail, marzipan and white blossom lead to a textured entry with flavors of guava and brioche.

On the palate the wine displays a mouthwatering, balanced acidity with focused notes of peach and lemon meringue. Undertones of almond and a fine-tuned minerality introduce a layered, crisp finish of melon alongside elegant white chocolate.

The *Owl Ridge 2017 Napa Valley Chardonnay* is a perfect outdoor summer wine. We particularly recommend pairing it with glazed salmon, baked butternut squash or hard, salty Manchego cheese.

Drink now or within the next three years.
